WHAT TO EXPECT AT THE STATE CONTEST

The state contest is a two-day event.

Day 1, Check-In and First Round Judging:

Check-in and exhibit set-up are scheduled for the morning of Day 1. We will post maps of the contest venue online and send out information by email prior to the contest. Depending on your arrival time, you may encounter long lines at check-in, so plan accordingly.

When you check-in, you will receive a packet with **your judging time, contest program, campus map, t-shirt voucher, NHD button, your certificate of participation**, and other essential materials. Be sure to read all included materials in the packet.

If you ordered meals, you can pick up your meal tickets at registration at the information table. The tickets will be under the name of the person who placed the order.

Judging begins at in the early afternoon on Day 1, and continues until all entries are evaluated. Six entries in each category will advance to the run-off round scheduled for the morning of Day 2.

During your judging time, the judges will meet with you to ask questions about your entry. Documentary and Performance students will present their projects. Judges in the Paper, Website, and Exhibit category will preview those entries so the students will not need to do a presentation.

After your judging time you are free to explore the University of Scranton campus and surrounding areas. Information about any planned events or presentations will be placed in the student packets.

Day 2:

The run-off round of judging will commence in the morning of Day 2. Only students in the performance and documentary category need to be present during the run-off round of judging, and the schedule for those categories will be posted.

Students in the paper, website, and exhibit categories do not need to be present for the run-off round of judging, and the schedule for those categories will not be posted.

ARMY HERITAGE CENTER FOUNDATION

During the run-off round, judges will review all entries but will not interview students. Your entry must stand on its own merit.

AWARD CEREMONY

The contest concludes with the award ceremony in the afternoon of Day 2. Students who finish in 1st or 2nd place qualify for the National Contest and should remain after the award ceremony to meet with the State Coordinator. Students who finish in 3rd will serve as alternate qualifiers, and should preserve their projects in case they have the opportunity to advance to nationals. In rare circumstances, a 4th place entry may be advanced when there is an available slot.

Students will be able to view their evaluation forms online with a few days of the contest.

We welcome your feedback. After the contest, you will receive an email with a link to an online survey about your experience. We need to hear your comments, both positive and negative, in order to improve the NHD in PA program. Thank you!
